Support Catholic Education

Important information for eligible Catholic ratepayers

Catholic education has been an integral part of Ontario's history for more than 160 years. As a vital component of the province's publicly funded education system, Catholic schools educate nearly 600,000 students each year. Did You Know? Your school support defaults to English Public each time you move residences. You must re-declare yourself as English Separate. It is important to regularly verify your tax-directed support by checking your property tax bill or speaking to your landlord. You may also call the Municipal Property Assessment Office at 1-866-296-6722.

By ensuring that you are registered as a separate school supporter, you are helping to deliver a powerful message to the Ontario government about the level of support for publicly funded Catholic education in your district. The Nipissing-Parry Sound Catholic District School Board wishes to thank the community of separate school supporters for their continued support of Catholic education in our district.
